NoviSpa Wellness Annual Membership Agreement

Why “Wellness Membership?”

One massage session feels great, but the greatest benefits of massage therapy and bodywork are experienced cumulatively over time. Massage and bodywork, received regularly and consistently, can relieve stress, depression, anxiety and tension, pain management, headaches and numerous other benefits for overall health and well-being. As most insurance carriers do not pay towards massage or for only a minimal treatment, the NoviSpa Wellness Membership assists with affordable massage treatments throughout the whole year, as well as other benefits.

A membership makes it more relaxing and affordable!

MEMBERSHIP BENEFITS:

- **Enjoy unlimited 60-minute massage sessions throughout the year for only \$45.00 each, our Wellness Membership Rate.**
- **Share your Wellness Membership with (1) one other family member in your household.**
- **Save 10% or more on additional services (except medical or specialty massages)**
- **Member only discounts on retail and gift purchases.**

HOW IT WORKS
